General Adviser	Mrs. D. B. Griffen
Finance Adviser	Mr. Ernest Wellenbrock

We wish to dedicate this page to one, whose energy, talents, enthusiasm and loyalty, has been a force in suggesting what may be considered the theme of this book.

For ten years she has worked tirelessly and zealously to instill good music into the hearts of her students as well as to the public at large.

Miss Willie Lou Robertson is leaving. She will be missed not only as a teacher of the school but as a neighbor and friend.

With these brief words, all wish her and her mother Mrs. W. Robertson, who also has played an important part in the musical life of the community, happiness in the future.

"WE MADE THE NEWS"

With pride and humility we set forth individuals, teams, units and departments who have "made the news" during this school year.

Our recent appearance in an outstanding publication, made us recognize that this honor was awarded because of the combined efforts of students, faculty, administration and community.

We have established ideals . . . may we live up to them!

SENIORS — TORCH HONOR

Standing: J. Bouma, E. Meyer, M. King, A. Johnson, N. Klander, S. Bailey, C. E. Rector, J. Meyer
Seated: T. Sinnes, D. Smith, E. Hansen, L. Anderson, K. Gay, C. Phillips, V. Gassen

HONOR SOCIETY

Leadership, character, scholarship, and service are the main purposes promoted by the Honor Society. John Bouma, Judy Smith, Verjean Grappe and John Hayes gave brief speeches on these characteristics at a candlelight ceremony held before the A.S.B. meeting April 5 in the auditorium.

Total membership now stands at forty-four with the probationary acceptance of eight sophomores. The following sophomores were accepted: Kay Zinner, Tamara Bay, King, Maerq, Lois Gay, Janice Barter, Jim Morgan, Nancy Ziegler and Cliff Ramsden.

Being a member of this society does not depend entirely on high grades, but good scholarship standards and an honest effort of each student to do his best.

This is the third year the Mount Baker Honor Society has been a member of the National Organization for Secondary Schools.

JUNIORS

Standing: S. McCollum, J. Swanson, P. Gunter, J. Hayes, R. Minge, B. Prendergast, J. Anderson, B. Omstead, D. Ward

SCIENCE CLUB

This year the Science Club has had many activities. They have been very busy for the Student Body. Holiday Nights were held every Tuesday. A basketball game was played for the first time. It was financed by money and many things with some help from the Student Body.

Trips were taken to the Science Museum in Tacoma and the Math Science Day at the University of Washington. A Math Science Day was held on April 7. It was held as a part of these trips. In January, a Science Movie Preview Party was given. A swimming party was given in the spring and in May. The officers of the club were: Ron, a President; Lorna, a Secretary; Jerry, a Treasurer; and Miss Maggie, an Advisor.

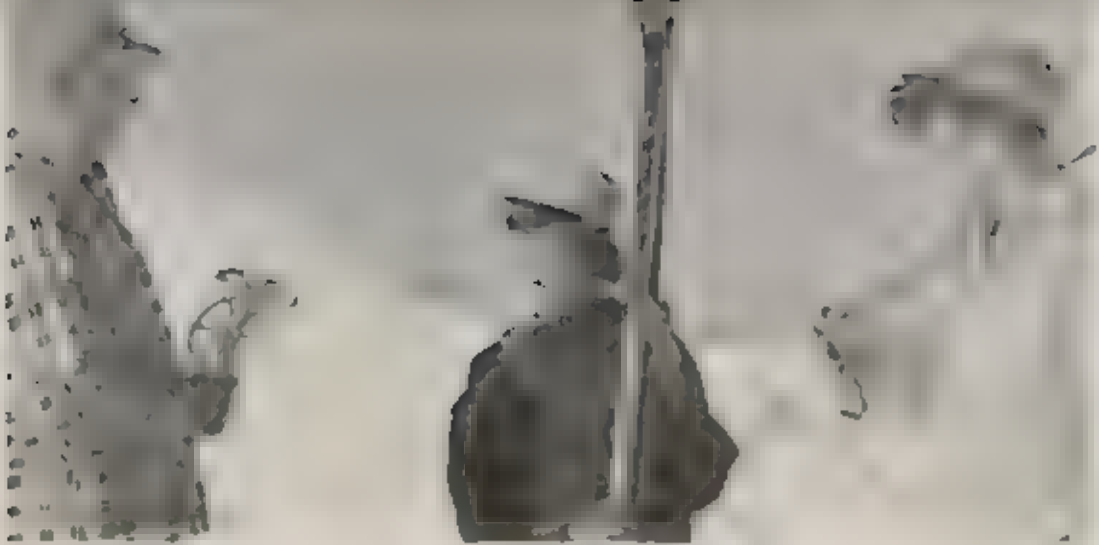

Members of the Science Club with their advisor, Miss Maggie.

Members of the Science Club with their advisor, Miss Maggie.

Members of the Science Club with their advisor, Miss Maggie.

Mr. Bronson, Adviser, B. Howell, Secretary-Treasurer,
H. Stuart, President

Ski Club

There are sixty members this year in the Ski Club, ranging from seventh grade through twelfth which is the largest membership ever had under the leadership of Mr. Bronson.

For raising funds the club collected seven and a half tons of scrap paper and the money was used to carry on club activities as well as finance a ski bus to Mt. Baker.

Approximately twenty-five students have taken ski lessons from the Junior Chamber of Commerce Ski School.

Other activities of the club were a skating party, the showing of a ski film, and designing a suitable club emblem.

Conservation

Forestry, wildlife and gamefish are three subjects that were stressed this year in conservation.

The task of hatching 20,000 salmon was one of the difficult accomplishments made by the class.

On the newly acquired land they built 35 shelters for wild birds. Another improvement on this land was a dog pen for around the game area.

Birds were a big item this year as the students raised pretensions and planted a feed plot for upland game.

Standing at the top of the hill, the view was
 magnificent. The mountains were in the distance,
 and the river flowed through the valley. The
 sun was setting, and the sky was a beautiful
 orange color. The water was calm, and the
 reflection of the sun was visible. The air was
 fresh, and the smell of the grass was pleasant.

The above photographs were taken at the annual convention of the Southern Baptist Convention, held at the Biltmore Hotel, Asheville, North Carolina, in 1924. The convention was the largest ever held in the South, with over 10,000 delegates and 50,000 people in attendance. The photographs show the delegates in session, the delegates in prayer, the delegates in song, and the delegates in fellowship.

F. H. A.

F H A is a national organization established at Mount Baker High School in 1947. There are now one hundred and one members in the chapter with Mrs. Esther Top as adviser.

Formal initiation was held in the school cafeteria October 27 with thirty-five freshmen girls entering the chapter. Mothers and friends attended and were served refreshments.

1 September twenty two girls enjoyed a trip to Edmonds where they attended work shops, movies and a general assembly.

Mrs. G. J. Townley and Mrs. A. H. Kelly, were elected Chapter Mothers and Mrs. Lutz last year's adviser as an Honorary Member.

"GRIDIRON GREATS" — SENIOR HIGH FOOTBALL

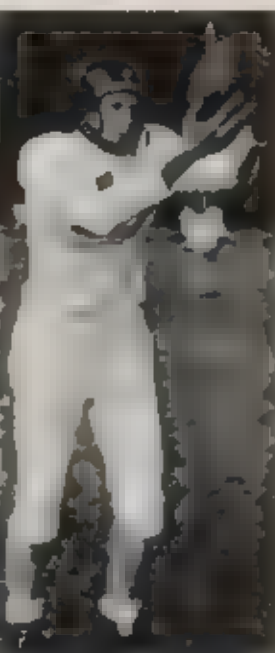

The last day of practice showed up for practice as on the last day of treatment & they were in the typical good spirit the team had throughout the year.

M. Baker says for the 1st part of the night we was Baker's room. I refer to A. I.

...the ... M ... a scrapy ... the ... Baker ... a slow start with ... and ... a more ... and ...

A wet and slippery Capitano Stadium, October 2, was Baker's only obstacle. Within two minutes Baker's rugged tackle knocked the visitors' offense out of the game. Half time score was 22-6. After two more strong offensive quarters the game ended with a 42-6 rout.

Football

L. MURRAY
Team Captain

L. EHLE
Mr. Hustie

October 9, the Mountaineers played a strong offensive and defensive game against a much weaker Nooksack squad. Late in the game Nooksack managed to squeak through for one touchdown, and made the conversion. A down hearted Pioneer team left the field managing to score only 7 points, to the Mountaineers 52 points

It proved to be Baker's day with Blaine as the score 33-0 indicated

A small, but speedy, Lynden Lion team irritated the burly Baker eleven, to deliver a sound trouncing upon the Lions. Lynden took home a 46-13 defeat

With Ferndale's and Mount Baker's records both being the same, their game was termed a "matchmaker's delight". This was the game for which both the Eagles and Mountaineers had been waiting. The game that would crown the Whatcom County Football Championship. Mount Baker came through with the coveted title

A coach is only as good as his players, and a player is only as GOOD as his COACH

SENIOR HIGH BASKETBALL

An almost equally matched county league left Mount Baker near the cellar. From the first game to the last the Mountaineers played up to their ability. They never stopped hustling once playing overtime and close scores. Next year they may go all the way.

This year the thirty members of Mr. Bronson's photography class worked three days a week in the Science laboratory developing, printing, and enlarging pictures. The other two days were spent in the classroom studying text books and collecting pictures. Special attention was given to notebooks, which each student was required to keep. In these were all types of pictures and photos of equipment.

Mr. Bronson's careful eyes helped the students with their enlarging, tinting, toning and mounting of photos for exhibition work.

Several pieces of equipment were made for use in the laboratory and it was each student's responsibility to learn how to handle all types of machines and material.

 All who have assisted in work and production of the "Mountaineer"

For the next four pages are advertisements which are an important feature of the "Mountaineer". Without them our book would not be complete. These advertisers are kind enough to assist in the production of the "Mountaineer".

As students from seventh grade to seniors should read the ads and when the need arises to make a purchase or have a service performed remember the advertisers on the following pages. That would be our way of saying thanks.

Congratulations Graduates
